

Dear NAME,

Leading 200 volunteers is not an easy task, but it was seamless due to enthusiastic volunteers and your dedicated staff who served as team leaders. We could not have asked for a more committed team.

Below are just a few highlights from the event that showcase the reach and the impact the team had on the Recreation Center and the surrounding community.

Company X volunteers...

- Painted the entire exterior iron fence, equivalent to seven football fields, which will not only enhance the aesthetics of the rec center, but also the surrounding community
- Restored 14 benches throughout the rec center, providing better seating in the baseball dugout and the playground
- Painted over 4,000 square feet of interior walls, brightening the atmosphere inside the rec center
- Removed overgrown weeds and planted flowers at the entrance, and painted the entry hallway and room, making the rec center more inviting
- Painted over 1,000 square feet of exposed concrete flooring and the walls in the senior room; transforming what the Lonnie Young staff called an embarrassing room into a community asset
- Cleaned the boxing gym from corner to corner and installed new heavy bags, creating a more enjoyable place for kids to work out
- Installed shelving on the auditorium stage and bulletin boards in the boxing gym to increase the organization of the rec center

Beyond the impact the volunteers had on the rec center, we hope the event also had an impact on the volunteers, giving them hands-on lessons in leadership, team building, and volunteerism. Thank you for your continued commitment to building and sustaining more vibrant communities, and your support of Keep America Beautiful and LOCAL AFFILIATE.
