

Join the Greatest American Cleanup

Be part of the largest cleanup effort in history! Keep America Beautiful is rallying Americans to cleanup and transform our roads, parks, neighborhoods, and waterways ahead of America's 250th birthday celebration on July 4, 2026. Together, we'll remove 25 billion pieces of litter and beautify 25,000 communities.

It's not just about cleaning up—it's about neighbors, volunteers, and partners coming together to solve a problem that impacts us all.

Who Can Join

Everyone! Whether you're an individual, family, business, school, organization, or community group, there's a role for you in helping to cleanup our nation.

Why It Matters

With 50 billion pieces of litter in the U.S., 90% of Americans agree it's a problem. Every piece picked up, every tree planted, and every mural painted creates safer, healthier, and more vibrant communities while protecting our environment.
