KEEP AMERICA BEAUTIFUL & REMA

*Need some inspiration on how to get your project started?
Use the tips + tricks below to help you with your submission.*

Submission Guidelines

Follow the tips below for your emailed submission:

- If you are submitting a video, poster, or other creative design to illustrate your pitch, please attach via email in one of the following formats: pdf, jpg/jpeg/png, or mp3/mp4.
- For your required write up, outline the following in up to 1000 words:
 - Your research to understand recyclers and the industry in your community
 - The local issue you discovered or experienced
 - Your innovative idea that would solve or mitigate the issue, along with how it could potentially be implemented in your community
 - How you created your video, poster, PSA, etc. (if applicable)
